

SIGNAGE SANITATION UNIT

Unite
against
COVID-19

With New Zealand gradually opening up after lockdown, we all need to work together to minimise risks and help and keep Covid 19 at bay.

An important step in assisting New Zealand in the battle against Covid-19 is the regular cleaning of hands.

Metalmorphic has developed this sanitation unit - incorporating the ability to display a message which can be changed easily and often. The unit is made from steel in order to ensure longevity. Some of the features of this unit are:

- Powder coat colour to match your corporate branding
- Signage slips in and out making it easy to change your message
- Different sized holes at the base for different hand sanitiser bottles
- Mount with screws and/or double-sided tape
- Designed to fit 3mm Corflute Signage
- New Zealand manufactured
- Price is \$28 per unit +GST, plus shipping, discounts available on bulk orders, hand sanitiser and signage not included

Contact Bill Martel for further details and enquires;
